Dear Ann,

Richard is out here seeing Sue.
Raymond is in McCamey playing
golf. I don't think he likes me
anymore. He had a date with Pat
Cullum last night for the Jr.-Sr.
Dance after the Jr.-Sr. Barbeque.
(Fresh. & Soph. couldn't go.)

How's the married life. Saw
Larry write. He said when he was
here he sure was going to miss you.
I think you got the best husband in
the world.

Last night we had a party for me &
Gerry & Gary at Patsy's (our birthday's
were so close.) After we ate we got in
Patsy's car to go to the show (but we
didn't) Don't tell Mather & Paddy! We
drove over by the dance & Charles & Eddie

new yellow Buick was parked outside & we wanted to let a little of the air out of the front right tire & Jerry got a stick caught in the air hole & it wouldn't stop!! We all ran & later we came back & it was flatter than a pancake!! We really had loads of fun! About 10:00 we drove back & he & about 5 other boys were changing it. It was so funny. Have you ever been mean like that?

I got a gift certificate for the large piece of luggage to match the one Charles Eddie got me for my birthday at the party. I got a pair of hose, earrings, half slip, & a cute little hat. Write the year
first chance you
get — Love you very much!
