Dear Larry & Ann, June 13, 1954
Sun. afternoon

When we got home from church
mother already had lunch on the table
& we all sat there & passed your
letters around. We sure did enjoy them.

Last night Charles Eddie & I double-dated
with Rayford Anthony & Lura & Pinkerton &
we went to the rodeo. The new "Tiny
Golf Course" named ~~Sandhills~~ Tiny Golf
Course" was opened for the first night
& we started to go play after the
rodeo but it was too crowded. I have
a date with Chaz Eddie (as Ann spells it)
tonight to go see "Johnny Guitar."

Friday night Raymond, Jim Bill
Harris, & Jimmy Lane came out &
we danced. They are all real good
bop-ers except Raymond is hardly
ever with the music. We got some
new records, by Glenn Miller - Supercats
Junction, String of Pearls, In the Mood,
another "Bernardos Tide a Way" by somebody

else. Raymond has been working for Gulf & makes \$2.10 per hour & \$98 something a week. He's going to use it for college (Rice)

The hospital bill was the winner of the election - seven to one (7-1) & so now we will get a new one.

Sue just finished rolling up my hair & she puts anywhere from two to five bobby-pins in ^{each curl} ~~my hair~~ & I'm weighted down & she scraped all the skin off of my head.

Saturday Sue, Lida, Barbara, MaryAnn Kent & I went swimming. I jumped off the high board a whole lot. I'm working on my nerve - trying to dive someday.

Richard is out at Texas Western going to ~~summer~~ summer school & Sue sure wishes he was here.

Monday night Sue & I are singing "Two Merrie Girls" & "Sympathy" for a Methodist meeting. Sue's singing some solos, too. Is there supposed to be a comona ^{there}. (be sure & tell me)

Lynn came out yesterday to get his belt I've had for about 3 months & has left this morning for Idaho. He'll be gone for a month & is just going to play golf. He'll stay with his relatives. He's a real good player. Harry, you remember those golf gloves you gave me.... they're too large. But maybe I can give them to Raymond (he plays, too & or Lynn) & is that correctament?

Tuesday night Charles Eddie & I went to dress & saw "Tennessee Champ" with Shelley Winters. We went over to play miniature golf but it wasn't open.

Ann, you remember Bonnie Croom, Harry, you might, too. (again?) Anyway, she has a brother Eddy in Texas Tech & he was going to ask me for a date tonight & double date with Penny Park & Sue but I already have one with Chad. Eddie Durn it!

I wish you two would come down & visit us sometime. We sure could have a lot of fun. Where is Buster? is he still up at Cloudcroft? I'll always remember our visit up there. It was an awful lot of fun. I remember the long ride we took & when Lisa slid down off Cince. Do you think there are any hay up there at that camp we rode through? I sure do like Bob Irwin & his wife. They sure are nice. I've always liked the Adden's.

In the pool the other day a strange boy kept flirting with me. Every time I started to jump off the high board he would yell, "High Board" & everybody would look. He goes to college somewhere, I think. (another one?)

Laura Etta & her husband went to the Smoky Mts. & are going to preside with the bride's parents, so it said in the Cerylon ~~paper~~ paper.

I love you both lots, be good & have fun.
