Dear Ann,

yesterday we went to
Balmorah and swam. The
water ~~was~~ ^{is} 20 feet deep &
you can see the bottom.
I saw a boy with a t-shirt
on that said Texas Tech.
College. He sure is cute
and we saw a whole
lot of cowboys.

you ~~I~~ know that
letter I wrote to that
cowboy that mother
found. Well, I wrote
another one and Ted
mailed ~~it~~ for me.

~~How~~ Do you ~~that~~ think
it would hurt ~~to~~ if
I called him on the
telephone? ~~mother~~ I asked
mother if you only knew
a persons name & the
town & state they lived
in if ~~they~~ ~~could~~ the

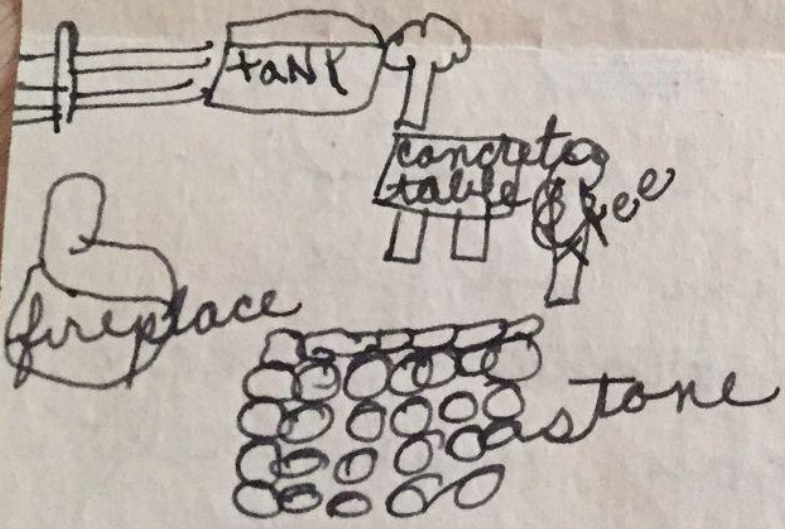

F. M. APPLEGATE, M. D.
P. O. BOX 1238
MONAHAN, TEXAS

operator could get them
& she ~~she~~ said they'd
try. So do you think
I should call him?

The other day we went
swimming and Adele &
Bonnie Crumb were in
and they asked where
you were. We said in summer school.

Teddy has been going
with Mary Sample some
lately.

In our ~~backyard~~ backyard
we've been laying stone
here's the way it looks.

P.S. answer

Love,
Grace
