

**Letter from Grandmother Grace Daniel Applegate (Bobbie)
to granddaughter, Grace Daniel Applegate (Qualls).**

Dearest Grace,

I am in bed again with fever and lots of pain, but the ??? does help me and I am getting better. It came on me quite suddenly just when I was feeling pretty well. Grandfather wanted to give me my breakfast this morning but I couldn't eat, but have had some milk.

I had a letter from you and Ann this morning and that helped me more than I can tell. Ann said she tho't I was partial to you. Why, my dear, you are the only one of the girls that kept me posted and let me know what you are all doing. I love you all the same, but I write you, for you write to me.

Tell Ann that I'll get her music to her as soon as I am up, also answer her letter. I write to Ted next. I go each day and look at your pictures. I love you so very much and believe me, darling, we are completely lost without you. The pictures I had made of you and Sue are beautiful. I enjoy looking at them.

Give my love to all the girls and to Mother and Daddy.

Lots of love,
Bobby
