Wednesday

Ed darling,

If you want
to ^{and} can make it - I will
be glad to "become your wife"

Saturday -

Ed - darling - I can hardly
wait - what a relief it will
be - And what peace of mind
is in store for us.

The family went to the
city today - so of course I
will not be up to-morrow -
So sorry - darling - but it cannot

be helped -

So get all the money together
you possibly can - and lets
make - W for you - this week-end.

But for my sake - destroy
this letter - If your mother
should read it - she would
think I ~~was~~ am not very
sensible -

Oh - dearest - I love you
- And ~~so~~ I ^{am} so
so -

Happy - All of my love -
to you - forever -

Margaret.
