Tuesday morn.

Dearest - Have but a
moment. I doubt if I can
make you understand - but Mother
is worried because I have
been spending all my money
and then some. I can't afford
to worry her just for my
own pleasure - no - not even
when it is for your too. Try
to understand, sweet. She
thinks I should make but
one trip a week. Its hell
but I guess I'll have to
stick by it to some degree.
You know I am dying to
come, darling. But I love
her, too, and can't hurt her
for our pleasure. Please,

dear, write and let me know
you understand

I love you, I love you,
sweet.

Yes I got your letter this morn.
awfully sweet too.

well, Lewis our father's for
operation -

I love you, dearth.

Your own man
Ted.
