My Dear }

Just a short
note - (my pen's day). Mr. Fifer
came in a bit ago and
said he might go down to
his farm up near ~~Sp.~~
Arlington on Wednesday -
asked me if I would like
to ride down as far as Morris-
town with him - and do!

But if I do get down you
will have to arrange to
eat out some place with
me - I wouldn't think of
presuming to invite my-
self to dinner -
Of course, as he says,

... (Mr. Tifer), if he is too busy
to get away I can't make
it - but since you do love
me I want you to have
the pleasure of looking forward
to Wednesday as I have
also, this gives you ~~a~~ time
to let me know what we
will do about dinner - where
we will go and so on.

Don't look for me until
you see me but I do want
you to be able to see me when
I do get there -

You were such a wonderful
girl to me yesterday, sweet. As
I told you yesterday, I love you
more and more - if it is possible.

I hope you are as lovesome
as I am, sweetness -

P.S. your own, Ted.
I love you!
