Friday morn -

Dear Girl - I have failed!
Pud says the boy whose car
I was going to get takes his
son out riding Saturday and
Sunday. He is separated from
his wife and that is the only
way he can be with his son.
So I haven't the nerve to
even ask him to deny him-
self that. I guess now there
is nothing else to do but wait
until next week-end.

And for the sake of saving -
cutting down expenses which we
really must start in earnest
now, don't you think it would
be better for me to eat here
before I come down Saturday -

You can surely find enough at
home to satisfy your own hunger
if I - a guest - am not there.
I can eat here for about \$3.50.
You can get a letter back to
me tomorrow - Give me your
opinion. If you want me to
come on down, I will.

I have but 15 minutes to get
this in the mail so you will
get it today so don't think
it abrupt.

I am so disappointed that
I couldn't make the arrangements
for this week-end - I can't
bear to think of it - so will stop -

I love you, my darling - more
and more - That was an
awfully sweet letter I got this
morning - Write tonight - or as early
as you wrote the last or I won't get
it - no afternoon delivery - If you can't -
send it general Delivery and I'll go over
and get it - Always your
Ted.
