Thursday morn.

I went out to the City Hospital this morning on that little matter of remuneration - and I'm damned if they didn't tell me it would very probably be January before I got my money. And then - what do you think happened? In the mail-box this morning was a letter addressed to F. M. Applegate, Indianapolis, on which the postal authorities had marked 418 E. 15th St. It was from a firm - John W. Paylor, Omega, Ind. In it was nothing but a check for \$31.35, made out to F. M. Applegate. I never heard of the firm of J. W. Paylor or even of Omega, Ind. I am sorely tempted -

Darling, get as much money as
you can and I'll ask Mueh to
lend me \$15⁰⁰ until I get that
money from the Hospital in
January. I don't want to use
this check - maybe I couldn't
if I did want to - but its a
great temptation to try to cash
it.

If you are planning on getting
up here Saturday morning, before
6 A.M. your time, let me know.
Let me know what time to expect
you whatever time you are planning
on. We will need all the time
we have, so make it early. You
can't make it too early for me.
I'll be ready.

If you get your letters in for that
11 o'clock mail I get it at 2:00 over
the same afternoon. Keep
me advised on all points of interest.

I love you
darling!
Always
Will!

As always,

Your adoring
Ted.
